

POINTS OF PRIDE #38

01 JOURNEY FAIR

Our winter job fair for teachers and health clinic aides was held Monday, January 8 here on Crowley Pride Drive. The 43 attendees had an opportunity to visit face-to-face with representatives from our Crowley ISD campuses. Twelve potential hires are in the pipeline to join us as we continue to act like a family and work like a team in 2024!

02 FINANCE

On Tuesday, December 12, the Crowley ISD Finance team proudly hosted the National Association of Minority Contractors of Dallas Fort Worth. This diverse group of contractors and subcontractors learned more about the voter-approved bond projects planned across our district and how they can join us in delivering on the dream! The future looks bright in Crowley ISD.

03 CROWLEY HIGH

We were so excited to see members of the Class of 2024 as they received on-the-spot acceptance Thursday, December 13 to attend Texas Wesleyan University. Approximately 20 CHS seniors participated in the RAM APP event and received more than \$1 million in merit scholarships. We are so proud of you. Next stop...graduation 2024!

04 SUE CROUCH

During the holidays Crowley students were shining bright! Our Sue Crouch Knights held a shoe drive during the month of November! They partnered with the nonprofit, Soles 4 Souls and donated 131 pairs of shoes in December! A huge thank you to all who donated to help turn shoes into opportunity for developing countries! We are on team with one dream.

05 POLICE DEPARTMENT

We would like to say, "Happy Law Enforcement Appreciation Day" to Chief Leshai Maston and the entire team of officers who serve on the Crowley ISD Police Department. Thank you for your bravery and commitment to our students and community. We honor and appreciate you!

06 H.F. STEVENS

Congratulations go out to H.F. Stevens Middle School sixth graders Emma Reyna and Sophia Molina who won first place in the Fort Worth Civic Orchestra holiday carol writing competition. Their composition, Winter Traditions, was performed by an orchestra and the Texas Boys Choir on Saturday, December 16. We are Crowley proud of you!

07 POYNTER

On Thursday, December 28 students from Poynter made us proud by spreading holiday cheer to the residents at the Crowley Nursing and Rehabilitation Center. Thank you to Mrs. Lowery, Mrs. Gaines, and our amazing student council members for showing that Crowley cares about our community!
