

Emergency Removal Form

*A Respondent may be removed from the educational environment only after the District makes an <u>individualized safety and risk analysis</u> and determines that an <u>immediate threat</u>, arising from the allegations of sexual harassment, to anyone's physical health or safety justifies removal. This analysis may involve the campus/district threat assessment team. A student who is removed on an emergency basis must be provided with notice and an opportunity to challenge the decision. A <u>student with a disability</u> has rights under the Individuals with Disabilities Education Act and/or Section 504 of the Rehabilitation Act and may not be removed without following the procedural safeguards of those laws.
