

Crowley ISD Bid Schedule

	A	B	C
1	Below is the CISD bid Advertisement Schedule for FY 2023-2024. This schedule is so that you can see when Purchasing will be advertising subsequent and or new bids in the future. The subsequent catalog bids are so that vendors that missed the previous opportunity to submit, will have the opportunity to submit once advertised. The new bid is due to the current bid ending and there are no more optional years to extend that particular bid or the District has requested for a new bid to advertise. (Vendors can locate current advertised bids on the Purchasing website under the link "Current Advertised Bids."
