

# Crowley Independent School District

## District Improvement Plan

### 2020-2021

**Board Approval Date:** January 28, 2021

# Mission Statement

*Crowley ISD provides our students with excellence in education so that all students achieve their full potential.*

## Vision

Crowley ISD will provide all students with a world-class, high-quality education where students are inspired to succeed in the global community.

## District Values

We value high academic achievement.

All students can learn through a variety of instructional methods and opportunities that meet their individual needs.

Learning is enhanced through social interaction in a diverse setting.

We value a safe and secure learning environment.

We value a positive work place in which each employee is appreciated and is provided opportunities for professional growth.

We respect and value the opinions of all students, employees and community members.

We encourage open, effective and timely communication with district stakeholders.

We support effective stewardship of public resources.

# Comprehensive Needs Assessment

## Needs Assessment Overview

Annually, district and campus administrators collaborate with staff and respective planning committees (District-Wide Educational Improvement Committee-DWEIC and Campus Performance Objectives Committee-CPOC) to develop the district and campus improvement plans. They utilize the district's Comprehensive Needs Assessment and *Vision 2025* to guide the alignment and focus of the strategies to our mission, which is to provide our students with excellence in education so that all student achieve their full potential.

*Vision 2025* is Crowley ISD's strategic plan for the future. It was developed with input from students, parents, staff and community members, a team consisting of more than 30 district stakeholders designed this five-year plan that includes our beliefs, learner outcomes and three specific goals for Crowley ISD. Our 3 Goals are:

GOAL 1: Thriving Students

GOAL 2: Engaged Community

GOAL 3: Empowered Staff

District and campus administrators review all strategies at least three times during the school year (October, January, and April) and perform a summative review in July. As they continue to work to complete their strategies throughout the school year, strategies may be modified to reach our Goal Performance Measures and all other targeted measures.

# Demographics

## Demographics Summary

Crowley Independent School District is a suburban school district covering 58.4 square miles in south Tarrant County and stretches over two municipalities: Fort Worth and Crowley. Crowley ISD serves 15,801 students in grades Pre-Kindergarten through 12th.

The completion of our new CTE/CCA building allowed us to open our new Richard Allie Middle School for 2020-21. This is the final step in our rezoning and grade reconfiguration plans. Crowley ISD currently has 25 campuses as follows:

<u>Elementary Schools (PK-5)</u>		<u>Middle Schools (6-8)</u>	<u>High schools</u>	
Bess Race	Parkway	Crowley	Crowley	Bill R. Johnson CTE/CCA
Dallas Park	Oakmont	H.F. Stevens	Crowley 9th Grade	Crowley Learning Center
David L. Walker	Mary Harris	Summer Creek	North Crowley	
Deer Creek	S.H. Crowley	Richard Allie	North Crowley 9th Grade	
J.A. Hargrave	Sidney Poynter			
Jackie Carden	Sue Crouch			
June W. Davis	Sycamore			
Meadowcreek				

Crowley ISD employs 2,080 staff members, including 1,156 classroom instructional employees.

Crowley ISD serves students of varied ethnic heritages and cultures and strives to be a diverse organization in a global society; one that values the difference in people recognizing that their backgrounds, skills, attitudes and experiences bring innovation and creativity to benefit our society.

SEE DATA CHART ADDENDUM FOR: Student Enrollment Comparison (Disaggregated, Enrollment by Campus, Student LEP Enrollment Comparison, Student Mobility Rate) and Snap Shot Enrollment - by Grade, Staff Comparison (Disaggregated)

In 2018, Crowley ISD launched an Early Childhood initiative and continues expanding the programs offered for preschool age children. The district currently offers:

- Early Head Start Program for children 8 weeks to three-years-old
- PreK Plus classroom (often referred to as Head Start classrooms) for three and four-year-old students
- Half and full day opportunities for three-year-old students
- Full day program for four-year-old students

CISD is committed to providing a loving and supportive learning environment for all of our young learners with the goal of equipping these students with tools to ensure success as they matriculate through elementary school and beyond. In 2018, prekindergarten for three-year-old students was launched, four-year-old classroom options expanded to full day and PreK Plus was introduced. PreK Plus is the name for the collaboration classrooms that are designed to support CISD prekindergarten students with both CISD and Head Start resources at targeted campuses.

To increase the district's offerings for the 2019-20 school year, CISD introduced tuition-based prekindergarten for families that do not meet the state qualifying criteria for prekindergarten. CISD utilizes a sliding fee scale to assign tuition to families that wish to pursue fee-based prekindergarten for their children. CISD also strengthened its partnership with Child Care Associates, operator for Head Start and Early Head Start in Tarrant County. This district now houses an Early Head Start Center at J.A. Hargrave.

The Early Head Start center serves 48 students ages 8 weeks to three-years-old. The targeted population for the Early Head Start program includes children of CISD teen parents, income eligible families and families with young children diagnosed with special needs.

#### Early Childhood Demographics:

- Over 800 three and four-year-old students enrolled at 15 elementary schools (10/2020)
- 992 three and four-year-old students enrolled across 12 elementary campuses (2019-20)
  - 57% are identified as economically disadvantaged
  - 20% are Limited English Proficient
  - 48 students in Early Head Start program

SEE DATA CHART ADDENDUM FOR: Prekindergarten Program Distribution

The All Student graduation rate as well as most sub-population rates have exceeded the state average for the past several years. This accomplishment is worthy of celebration since the district percentages of drop-outs is also lower than the state average with most populations.

SEE DATA CHART ADDENDUM FOR: CISD Graduation Rates Compared to State

The district's attendance rate measured by Average Daily Attendance (ADA) has remained at 95% over the last three years. With the exception of COVID-19, 2019-20 being at 96.18% and the ADA almost met the District Goal of 96.5%. CISD for the last several years has been consistently averaging 95% or above.

SEE DATA CHART ADDENDUM FOR: 4-Year Attendance Comparison to State Average

The district's annual dropout rate is significantly lower than the State's for All Students and several student groups.

SEE DATA CHART ADDENDUM FOR: CISD Dropout Rate Comparison to State Average.

### Demographics Strengths

The following sub-populations from the graduation class of 2019 met or exceeded the state average: African American, Asian, Hispanic, Caucasian, Multiracial, Economically Disadvantaged, English Learners, and Special Education. DATA SOURCE: 2019 Data Table posted on Texas Education Webpage (Federal Graduation Rate)

The 2019 graduation class had a lower dropout rate than the state for the following populations: All students, African American, Asian, Hispanic, Multiracial, Economically Disadvantaged, English Learners, and Special Education. DATA SOURCE: 2018 Data Table Posted on Texas Education Webpage (Federal Dropout Rate).

#### Early Childhood Strengths:

- Increased enrollment in prekindergarten
- Expanded programs to include tuition option for non-qualifying four-year-old students
- In-district Early Head Start program to serve children 8 weeks to 3 years old
- Age appropriate furnishings and learning materials in all classrooms
- Increased professional development offerings for prekindergarten teachers and paraprofessionals
- CISD utilizes the state approved CIRCLE assessment to inform instruction and assess kindergarten readiness

### Early Childhood Opportunities for Growth and Exploration:

During the past year, teachers and administrators came together to discuss the ways to strengthen instruction and promote a climate that is safe and nurturing for students. From these conversations, CISD is tasked with developing in the areas below:

- Emphasis on developing social and emotional, literacy, and math skills for three and four-year old students
- Staff development for administrators with prekindergarten classrooms
- Consistent behavior management practices for all prekindergarten classrooms in CISD
- Increase the number of opportunities for parental involvement in the educational experience of young learners
- Explore the creation of an Early Childhood Center

# Student Achievement

## Student Achievement Summary

During the 2018-19 school year, the district earned an Accountability Rating of "B." This rating is earned based on performance in three components: 1) Student Achievement, 2) School Progress, and 3) Closing the Gaps. Due to an interruption in instruction and the subsequent cancellation of STAAR testing in the 2019-20 school year, the district's Accountability Rating remains unchanged for the 2020-21 school year.

SEE DATA CHART ADDENDUM FOR: District Accountability Results

In addition to the rankings, schools and districts are also evaluated in the areas of Distinctions and Safeguards. Nine of the nineteen campuses combined to earn a total of sixteen academic distinctions for outstanding achievement in the areas of: Student Progress, Reading, Science, Math, Closing Performance Gaps, and Postsecondary Readiness when compared to 40 other schools with similar demographic makeups to the Crowley schools. The district also met 74 of the 119 (62%) goals measured by the new targeted improvement system. The targeted improvement areas examine up to 11 sub-populations with up to 5 areas for each population. All schools have included the identified TEA Targeted Supports in the comprehensive needs' assessment process.

Beyond the state accountability system, the district and each campus reviews other data that includes among other things: various test results from the national and state levels such as (STAAR, Advanced Placement Exams, and College Entrance Exams), various surveys (parent, teacher, student), and other information (attendance and disciplinary referrals). For a complete listing of data sources used during evaluation, please see the Data Documentation page.

One major population included in any comprehensive needs' assessment is the at-risk populations (those identified as being eligible to receive services provided through Compensatory Education Funding). The data related to the at-risk populations indicate a generally successful program when comparing it to the state averages. State law requires that any student identified as Limited English Proficient (LEP) must be identified as at-risk. Therefore, one of the largest at-risk populations is LEP. Based on student test results as well as graduation and dropout rates, the services provided to these students have demonstrated great success over the years. The district percent of English Learners (EL) passing the test exceeds the state's EL population in the categories of: All Tests Taken, Reading, Math, Writing, Science, and Social Studies. The other major reason students are identified as at-risk in the district is performance on the State of Texas Assessments of Academic Readiness (STAAR). The 2019 comparison of state and district at-risk students passing the various tests at the "Meets Standard" level or above indicates that the district percent (30.26) and the state (30.04) are similar. Neither the state average nor the district average is at the desired level. However, the district has scored equal to or higher than the state in four of the five End-Of-Course tests as well as 56% of all of the at-risk tests taken.

Another population included in any comprehensive needs' assessment is the Migrant Population. The district did not identify any migrant students during the 2015-16, 2016-17 or 2017-18 school years. The district has identified a small number this year. The number is so small that FERPA regulations do not allow the district to publish or discuss student performance results.

## Student Achievement Strengths

- The Domain 1 Academic Achievement score of 81 earned a "B" rating for the district. The Domain 2B Relative Progress score of 85 earned a "B" rating for the district.
- According to Graduation Data Tables provided on the TEA webpage the district graduation rates exceed the state average and the district dropout rates are lower than the state average with the vast majority of the sub-populations.
- The district average for LEP tests attaining "Meet Standard" or above (40%) exceeds the state average for LEP tests attaining "Meet Standard" or above (29%).

## **Problem Statements Identifying Student Achievement Needs**

**Problem Statement 1:** The percentage of students in the district achieving "meets grade level standard or above" in Reading (40%) is below the state average (47%) **Root Cause:** The district's Reading curriculum was not sufficiently rigorous, guaranteed, or viable for all students in grades K-12. This has been addressed through the adoption of an aligned, rigorous Reading curriculum in grades K-8, as well as the creation of ELAR Curriculum Guides in a balanced literacy / workshop model format.

**Problem Statement 2:** The percentage of students in the district achieving "meets grade level standard or above" in Math (39%) is below the state average (50%). **Root Cause:** District instruction in Math was taught below grade level and not at the level of rigor required by the Texas Essential Knowledge and Skills and state assessments. This has been addressed through the purchase of rigorous, on-level resources, the creation of curriculum guides, and extensive teacher training in the use of manipulatives, problem-solving, and grade level content.

**Problem Statement 3:** The percentage of students in the district achieving "meets grade level standard or above" in Writing (29%) is below the state average (37%). **Root Cause:** The district did not have an aligned Writing curriculum for all grade levels, and students did not receive explicit Writing instruction at the secondary level. This has been addressed through the purchase of the Lucy Calkins "Units of Study" Writing curriculum for all elementary grade levels, and the adoption and training of teachers in the Jane Schaffer writing method in grades 6-12. Additionally, 7th grade English Language Arts classes have been double-blocked to allow for equal time for both Reading and Writing instruction.

**Problem Statement 4:** The percentage of students in the district achieving "meets grade level standard or above" in Science (42%) is below the state average (53%). **Root Cause:** The district's instructional model for Science did not align with best practices for Science instruction, time in elementary master schedules for Science was limited, and there was limited district-level support for Science teachers. This has been addressed by teacher training in the 5E model of Science Instruction, a minimum minutes requirement for Science at all grade levels in elementary master schedules, and the hiring of an elementary Science Coordinator as well as four district-level Science Instructional Coaches.

**Problem Statement 5:** The percentage of students in the district achieving "meets grade level standard or above" in Social Studies (44%) is below the state average (55%). **Root Cause:** The district did not have high-quality, rigorous resources for Social Studies instruction and there was limited district-level support for Social Studies teachers. This has been addressed by the purchase of high-quality Social Studies resources, the creation of aligned curriculum guides, and the hiring of a K-12 Social Studies Coordinator and a district-level middle school Social Studies Instructional Coach.

# District Culture and Climate

## District Culture and Climate Summary

The COVID-19 pandemic has brought undeniable challenges to every aspect of life and school districts have been in a unique position during this time period due to the need to keep all of our students and staff safe. Crowley ISD's response to the pandemic is intentional and carefully planned at every step. Under the steadfast and visionary leadership of our Superintendent, Dr. Michael D. McFarland, by March 30, 2020, our students were already learning remotely from home as our efforts to minimize "learning loss" was aggressively pursued. Through substantial planning, research, collaboration, consulting, testing, and retesting; Crowley ISD is prepared to implement our 2020-21 school year plan of successfully instructing our students and keeping all of them healthy and safe.

Students who have been unsuccessful in a virtual learning environment have been identified by campus leadership teams and shared with Central Office. These students have been notified of the district's intent to require their return to in-person learning, and have been asked to contact their campus for additional information. Per TEA requirements, an appeal process has been put in place, which also provides opportunities for students and families requiring a medical exemption to remain in a virtual environment. Any student identified as being unsuccessful in a virtual learning environment will be required to return to in-person learning on January 25th, 2021, if an appeal is not granted.

Health Services continues to engage in partnerships within our community to provide avenues and opportunities for our students and district to thrive.

Crowley ISD offers students a variety of advanced course options, including Advanced Placement (AP)/Pre-AP and Dual Credit (earning both high school and college credits simultaneously). For the 2020-21 school year, there are 1,492 AP students and 2,913 Pre-AP students. The number of AP exams given in spring of 2020 was 780, with 234 exams scored at a three (3) or higher (average to receive college credit). There were 2,907 college applications submitted by CISD students in 2020. The following enhancements have been made in our AP classes for 2020-21:

- We are using a common reflection form in all AP classes - used to create short-term goals prior to the next personal progress check
- All AP students are taking Personal Progress Checks after each unit of study
- All AP teachers are using the College Board Units of Study
- Creating Common semester exams using released test questions from College Board
- All exams (1,261) had to be ordered by November 13 – this locked kids into taking exams (October 31 is the district deadline to allow for internal audit for correct test order)
- High Schools have Advanced Academic Support Teams - support the success of the students especially first time Advanced Academic Participation.

SEE DATA CHART ADDENDUM FOR: Pre-AP and AP Enrollment, AP Performance, and College Applications (4-Year Comparison)

Crowley ISD has received the 21st Century Community Learning Center grant to provide academic, enrichment, parent involvement and college and career activities to seven campuses.

Fine and Performing Arts successes include an average number of All-State Choir members, First Division ratings for high school band(s), and the acclaimed 5th and 6th grade CISD Honor Choir. We are seeking to continue this trend.

In 2015-16, significant upgrades were made to both high schools' baseball and softball fields with the installation of field turf. This upgrade allows our athletes the opportunity to practice and have fewer games canceled due to inclement weather conditions. The District also received additional revenue due to our athletic facilities being rented and utilized by surrounding school districts for post district competition. In the 2016-17 school year the addition of newly constructed field houses for our football/soccer/baseball/softball/track teams will allow our student athletes as well as those from visiting districts a safe and secure place to dress. The updated facilities will provide our coaching staff additional office and training areas to better prepare our athletes for successful district and post district honors. In 2018-19, the Arbiter Payment system was implemented to more efficiently pay the game officials. In 2019-20, TicketRoar online ticketing was implemented for parties interested in attending CISD athletic Events.

This system allows stakeholders to purchase their tickets in advance to avoid waiting in line on game days. The system also allows the Athletic Department to better monitor gate receipts from athletic events. The North Crowley High School gym renovation will be completed. The gym will seat over 2,000 fans, which is an upgrade from 1,350 previously held. The facility will be able to safely host campus and district events. 2020-21 ground has been broken for two indoor practice facilities. These facilities will allow teams to hold practices and workouts during inclement weather.

SEE DATA CHART ADDENDUM FOR: Fine Arts Participation and Athletics Participation

2020-21 marks the district's transition from Choice programming to "STEM+ for All." Our goal is to provide access, awareness, and exposure for all students in curricular, co-curricular, and extracurricular pathways over the next five years.

STEM Plus:

Vision: The STEM Plus vision in Crowley ISD is community empowerment through awareness, exploration, and engagement to prepare all learners for future global opportunities.

Mission: The STEM Plus mission in Crowley ISD is to transform learning through high quality instruction, real world experiences, and community partnerships to equip learners with 21st century skills for the pursuit of individual passions.

As our district continues to grow and serve the students of Crowley ISD the Office of Transformation and Innovation has extended their vision also. A key initiative to ensure all students in Crowley ISD are provided choices and access when they reach 9th grade is called STEM Plus. STEM Plus is a mix of STEM ideas, Vision 2025 Learner Profile skills, and a focus on end products that align to the Crowley ISD CTE Programs of study.

The STEM Plus vision in Crowley ISD is community empowerment through awareness, exploration, and engagement to prepare all learners for future global opportunities. The STEM Plus mission in Crowley ISD is to transform learning through high quality instruction, real world experiences, and community partnerships to equip learners with 21st century skills for the pursuit of individual passions.

In the past students were not exposed outright to all of the possible 27 programs of study available at the Bill R Johnson CTE center. Now, with an intentional focus on students' awareness, exposure, and exploration, students will enter middle school having an understanding of all the possibilities once they enter high school.

CTE Pathways

In addition to STEM Plus, the Office of Transformation and Innovation has launched the African American Studies program at both Crowley and North Crowley High School. Early this year the state of Texas (Texas Education Agency) approved a 1.0 weighted state credited course that can be offered to all 9-12 grade students throughout the state. As described in the course guidelines by TEA, The African American Studies course is a conceptually driven course that introduces students to the exploration of the rich and diverse history and culture of African Americans. The goal of this course is to broaden the knowledge and understanding of students interested in learning about history, citizenship, culture, economics, science, technology, geography, and the political realities of African Americans. In Crowley ISD, we designed the course with the thinking to ensure the course even further by offering our students the opportunity to discover their roots by embedding a project-based learning opportunity that includes learning about their

own roots and ancestral story by DNA analysis through African Ancestry. Currently, the pilot of this course has 40 students enrolled collectively in the course.

The district's PEIMS reported discipline data for 2019-20 (4,806) indicates a 47% decrease in discipline offenses compared to 2018-19 (7,138).

The Discipline Population, number of students receiving one or more discipline referrals, for the 2019-20 school year as reported to PEIMS is 2,721. This value represents a 23.48% decrease from the 2018-19 discipline population of 3,360.

SEE DATA CHARTS ADDENDUM FOR: 4 Year Comparison - Discipline Population and # of Offenses

The Achievement department, in collaboration with our District Next Level Leadership (aspiring district leaders), a finalized our Student Culture and Management Framework, which includes Positive Behavior Interventions and Supports (PBIS), Social and Emotional Learning (SEL), CHAMPS Classroom Management Approach, and Restorative Practices. Beginning with the 2020-21 school year, we will launch district-wide implementation of this framework as a uniform student management curriculum for addressing inappropriate student behavior and acknowledging positive student behavior.

SEE DATA CHARTS ADDENDUM FOR: Student Culture Matrix - by Grade, which is a result of this collaboration and will be included in the framework.

### **District Culture and Climate Strengths**

- All campuses were 100% state compliant on Emergency Preparedness/Fire Drills in 2019-20
- Updated Multi-Hazard Emergency Operations Plan and Campus Emergency Operations Plans
- Implementation of safety protocols for emergency and drills due to Covid-19 (safe distancing, reducing pedestrian loads in hallways and exit points). After each drill, staff and students will be reminded that in an actual emergency, they must exit/evacuate without delay and without staggered exit/evacuation.
- Continue to assist with the newly created Crowley ISD Police Department
- All new administrators are receiving robust safety awareness training and continued support
- Promote partnerships with our SRO's in both jurisdictions through involvement in student meetings, safety meetings and incorporating classroom visits.
- Our continued partnership with UNT Health Science Center, Cooks Children's, and Tarrant County with regard to the Asthma 411 initiative
- CISD's Health Services partnerships with local universities to provide an opportunity to mentor Nursing students with University of Texas at Arlington, Tarrant County College, and Texas Wesleyan
- Our partnership with TCPH with regard to Pandemic operations and mitigation strategies
- CISD's Health Services Department will serve as mentors to CISD Nursing students and allow them to observe and serve in the district
- Our partnership with Urgent Care for Kids to provide telehealth services in the school setting

### **Problem Statements Identifying District Culture and Climate Needs**

**Problem Statement 1:** According to discipline data, discipline has been improving through the implementation of Restorative Practices, such as PBIS and Social Emotional Learning, as well as other discipline intervention systems and/or programs. There continues to be a need for increasing our staff's practices on incorporating positive management skills for all students. Crowley ISD's response is the 2020-21 implementation of our district-wide Student Culture and Management Framework addressing inappropriate student behavior and acknowledging positive student behavior, as we must work to ensure that academics are being taught from bell to bell.

# Staff Quality, Recruitment, and Retention

## Staff Quality, Recruitment, and Retention Summary

With the passage of the Every Student Succeeds Act (ESSA), the Board of Trustees has prioritized maintaining the federal requirements for teachers to meet state licensure and certification standards. Developing and increasing the capacity of professional staff at all levels of the professional organization is a priority in Crowley ISD.

All of Crowley ISD instructional staff meet or exceed federal requirements for state licensure and certification standards.

SEE DATA CHART ADDENDUM FOR: Teachers by Years of Experience, Teachers' Experience Compared to State, Teacher Retention, and Teacher Turnover Rate.

A variety of Professional Development and teacher supports have been put in place for 2020-21:

- District Learning Academy
- Universal screeners
- Next Level Mentors
- Newbie Network
- TCEA course where educators are working towards becoming a "Certified On Line Educator"
- Established RtI Campus Representatives

The first year teacher mentor program is designed to provide teachers with targeted and scaffold support during the first year in CISD. In most of the reported categories, years of teaching experience for teachers in Crowley ISD mirror the averages across the state.

### Our plans for 2020-21 include:

District Learning Academies:

- Crowley University
- New Professionals Orientation
- Newbie Network
- Tips and Tools

New Universal Screeners:

- MAPS
- iStation
- BASS
- Achieve 3000

Next Level Mentors:

- M.I.N.T.
- Next Level Leaders with aspiring APs and Principals

### Established RtI Campus Representatives

- Each campus has an RtI lead
- RtI committee meets every 6 weeks
- RtI tracks student data using DMAC

### Supports for New Teachers:

- Every new teacher is given a mentor
- The mentor and new teacher attend district level trainings focusing on instructional strategies and classroom management
- Each campus has a mentor advisor to assist mentors
- Mentor advisors conduct new teacher development
- Demonstration Tours for new teachers to observe master teachers conducted throughout the year

### Staff Quality, Recruitment, and Retention Strengths

Crowley ISD continues to ensure that 100% of our instructional staff meet or exceed federal requirements for state licensure and certification standards. The salaries for teachers for every experience level are above the state averages and remain competitive within our region.

### Additional successes include:

- Hired Crowley ISD's first Chief of Police
- Successfully opened the Employee Child Development Center on August 24th following COVID protocols for childcare licensing
- Teacher moves and class leveling was accomplished with minimal fiscal impact
- Ensured process for accounting of leavers was implemented

SEE DATA CHART ADDENDUM FOR: Teacher Salary Comparison Chart

# Curriculum, Instruction, and Assessment

## Curriculum, Instruction, and Assessment Summary

Crowley ISD believes that curriculum, instruction, and assessment must all be in alignment for students to be successful. Data driven decisions are made for improvement through the adopted curriculum. Effective instructional methodologies, walk-through information, feedback from the teachers, and assessment data. Continual monitoring and analysis of data will help to ensure curricular needs are being met.

In 2016-17, Crowley ISD underwent a Curriculum Audit because we want to provide the highest quality learning environment and outcome for our students. The audit's scope was centered on curriculum and instruction and any aspect of a school system that enhances or hinders its design and/or delivery. The audit is an intensive and focused look at how well a school system has been able to set valid directions for pupil accomplishment and well-being, concentrate its resources to accomplish those directions, and improve its performance; however, contextually defined or measured, over time. We have utilized the recommendations to develop strategies in the 2020-21 District Improvement Plan.

## Curriculum, Instruction, and Assessment Strengths

A variety of Curriculum and Instruction supports have been implemented, updated, and revised or refined for 2020-21:

- Curriculum guides for all core content areas, K-12 are now in place
- Adoption of new ELAR resources for K-8, including teacher training
- Addition of personnel in the Instructional Support Specialist position, including 2 HS ISSs and 4 district level elementary science ISSs
- An interactive curriculum map has been created, K-12, showing the scope and sequence for all core content areas in one document, posted on the C&I website
- Horizontal Alignment Team meetings continue to occur every 6-8 weeks, allowing teachers from across the district to collaborate and receive training on best practices

# Parent and Community Engagement

## Parent and Community Engagement Summary

The Crowley Independent School District is a unique place to live and work with unprecedented community support provided by dedicated families, educators, corporations, and community leaders. Parents and community members contribute socially, emotionally, and financially toward the success of students in multiple arenas: academics, arts, athletics, and real-world applications; and are encouraged to participate in the district decision-making process as well as in promoting the attributes and successes offered here.

Crowley ISD's Faith-based Community Partnership has continued to increase since its initiation in 2016. We are continuing our efforts to match church resources with campus needs, e.g. Read2Win and Student of the Month recognition programs. Our goal is to have a Faith-based Community Partnership for every Crowley ISD campus.

## Parent and Community Engagement Strengths

The spirit of *Every Student Succeeds Act (ESSA)* is at the heart of Crowley ISD's mission and vision. In order to provide each student with excellence in education so that all students achieve their full potential, the district and each campus plan activities and events to involve parents, families, and community leaders; use multiple forms of communication, in both English and Spanish, to promote successes and provide opportunities for questions and concerns; and, hold committee meetings which include parents and community partners.

Having a strong desire to reach out to parents, families, and community leaders, Crowley ISD strives to incorporate emerging technological tools for communication, e.g. online surveys to gather important feedback from stakeholders. To encourage involvement, the district showcases student successes and programs at each Board meeting and sponsors district-wide information sessions.

The district has developed partnerships with over 100 organizations to support students and their families. The following are just a few:

- Alcon
- All Pro Dads
- Canes Restaurant
- Chicken Express
- Chick-fil-A
- Chisholm Trail
- EECU - Burleson
- Frog Street Curriculum
- Girls Inc.
- Kroger Foods
- Lakeshore Learning
- Lockheed Martin
- Lynn Smith Auto Chevrolet
- My Brother's Keeper/S.T.E.P. - CEO
- My Credit Union
- Read2Win, Inc.
- Steele and Freeman
- Tarrant County College

- Tarrant County Food Bank
- Tarrant County Harambee Festival
- Teens of Excellence
- Texas Christian University
- The Women's Center
- YMCA

Crowley ISD could not fulfill its mission nor realize its vision without the support and dedication of its parents, families and community partners working collectively together to ensure *Every Student Succeeds*.

# District Context and Organization

## District Context and Organization Summary

The District and all Campus/Targeted Improvement Plans are reviewed by central office personnel to ensure plans clearly address measurable strategies having a high likelihood of generating the desired outcomes. Strategies for improvement are based on the root cause(s) associated with the identified needs. District level personnel, as well as campus level personnel and outside consultants, provide professional development related to best practices enabling campus personnel with necessary skills to achieve the established goals. District personnel also monitor the data, conduct building level walkthroughs and provide support and feedback in order to help ensure that progress is being made. As these improvement plans are developed by district and campus administrators in collaboration with staff and stakeholders, the District Improvement Plan (DIP) and each Campus/Targeted Improvement Plan (CIP/TIP) are also reviewed at least four times annually: Formative reviews during the months of October, January, and April and a Summative review during July.

*Vision 2025* is Crowley ISD's strategic plan for the future. Developed with input from students, parents, staff and community members, a design team consisting of more than 30 district stakeholders designed this five-year plan that includes our beliefs, learner outcomes and three specific goals for Crowley ISD. Our 3 Goals are:

GOAL 1: Thriving Students

GOAL 2: Engaged Community

GOAL 3: Empowered Staff

Annually, district and campus administrators collaborate with staff and respective planning committees (District-Wide Educational Improvement Committee-DWIEC and Campus Performance Objectives Committee-CPOC) to develop the district and campus improvement plans. They utilize the district's Comprehensive Needs Assessment and *Vision 2025* to guide the alignment and focus of strategies to our mission, which is to provide our students with excellence in education so that all students achieve their full potential.

In fall 2019, we completed the first phase of Crowley ISD's two-year Rezoning and Restructuring Plan:

- All elementary schools, plus the new June W. Davis campus have become PreK-5th grade campuses
- All four intermediate schools have been transformed into K-6th grade campuses
- The three middle schools remain the same with 7-8th grade
- The two high schools remain the same

In fall 2020, we completed the final phase of the two-year plan:

- The four formerly intermediate schools have become PreK-5th grade campuses
- We have opened our fourth middle school, Richard Allie Middle School
- All middle schools have become 6th-8th grade campuses
- The high schools have remained the same

## District Context and Organization Strengths

- Early childhood expansion resulted in hundreds of students being served in ½ day and full day settings
- Prekindergarten opportunities exist at all elementary campuses as of August 2020
- Early Head Start has serviced 48 infant and toddler students, which included teen parents from CISD high schools
- STEM Programming:
  - By providing opportunities at all Elementary Schools for students, Crowley ISD has opened the door for ALL students to be exposed to STEM plus activities and enrichment opportunities.
  - The district has a robust first year of programming planned focusing on three main areas; STEM Plus education PK- 5th through specials, STEM Plus Extra Curricular opportunities K-9th, The Flying Classroom for our virtual learners, and Tech Smart coding pilot at eight Elementary campuses in the district.
  - As part of the vision and mission of providing opportunities for students, all curriculum created will engage students in the Engineering Design Process with a focus on aligned Crowley ISD CTE pathways. In year one, Pathway focus areas are; Business, Marketing and Finance and STEM. More specifically Entrepreneurship, Financial services, marketing, Biomedical Science, and programming.
  - Students in grades K-9 will also have access to after school STEM focused clubs such as; Girls who code, gardening, robotics, cultural exploration and innovation through STEM, etc. Campus will have a STEM Plus campus coordinator that will intentionally embed additional STEM events and exposure opportunities to the campus whether the STEM Plus teacher is on campus or not.
- 21st Century Community Learning Centers Grant Opportunity:
  - Crowley ISD will be participating in the 21st Century Community Learning Center grant. This opportunity is being provided through an important study being sponsored by the U.S. Department of Education. As part of the National Study of Continuous Quality Improvement to Inform the 21st CCLC Program, a group of eligible centers within each grantee will be identified to participate in the study. Half of those centers will be selected by lottery to implement the system. They will receive training and support to implement the system—at no cost—for two years, in 2021-2022 and 2022-2023. Staff from the Forum for Youth Investment's Weikart Center for Youth Program Quality will provide this training and support and work closely with the centers. Centers implementing the system as part of the study might be exempted from some aspects of the Blueprint process during the study period. The other half of the grantee's participating centers will continue with their usual practices. We are excited for what the 21st CCLC community will learn from this study and for the opportunity being offered to our centers to gain experience with continuous quality improvement.
- Increase in Higher Education partnerships
- Increase in equitable enrollment in Dual Credit courses
- College applications and scholarships have increased
- 100% AVID seniors have at least one college application in Apply Texas
- CHS field houses and NCHS field house addition - Complete October 2017
- June W. Davis Elementary - Complete June 2019
- CHS and NCHS Fine Arts additions - Complete August 2019
- North Crowley High School gymnasium expansion - Complete October 2019
- Operations Facility - Complete June 2020
- Bill R. Johnson Career Tech Center - Complete August 2020
- High School Indoor Practice Facilities - Under construction
- New District Sports Complex - In design
- New Administration Building - In design
- Grants received by CISD for 2019-20 school year:
  - Grants and Innovation Department:
    - 21<sup>st</sup> Century Community Learning Centers for \$1,499,927 each year for three years
    - Blended Learning Grant for \$100,000
    - Student Success Initiative Community Grant for \$299,856
    - Pathways in Technology Early College High School (P-TECH) for \$197,245

- Safety and Security Grant for \$245,495
- Additional Days School Year for \$200,000
- Instructional Continuity Grant for \$91,000
- College/Career and Technology:
  - Project Lead the Way Cybersecurity for \$20,000
  - Perkins Reserve Aerial Robotics for \$50,000
  - Texas Hurricane Homeless Children and Youth Program Grant for \$11,949
  - Evaluation Capacity Grant for \$20,000
  - Perkins Grant
  - UT Grant
- Curriculum and Instruction:
  - Texas Network for School Improvement for \$25,600
  - Every Student Succeeds Act (ESSA) Grant
- Early Childhood:
  - Early Head Start Expansion Care Partnership \$8,900,000 (5-year Cycle)
- Special Education:
  - Special Education Federal Grant IDEA
  - SPED Fiscal Funding Grant \$338,000

# Technology

## Technology Summary

With the ever-changing needs of the campuses, it has become more important than ever to stay relevant and supportive of their needs. Technology provides leadership, analysis, and support for all technology needs of the students, faculty, and staff.

As you are aware of, technology is constantly evolving and updating to newer, more efficient ways of completing tasks. There is an old saying, "the only thing constant in the world is change." This is crucial to our Technology Services department as we strive to support the advancement of educational achievement.

Technology Services strives to follow these guiding principles:

1. Support the education of students by connecting the learner to the world around them through digital access
2. Ensure the accuracy of student data reported to internal and external sources to provide information for analysis of program sustainability
3. Level the digital playing field by providing technology access to instructional resources for all Crowley ISD students
4. Evaluate, analyze, and secure the digital environment to ensure that students, faculty, and staff have appropriate access to learn and grow

SEE DATA CHART ADDENDUM FOR: Chromebooks by Campus, Laptops by Campus, and Age of Computers by Deployment Date

## Technology Strengths

Current district technology services offer the following:

- Mobile device distribution to all students as a 1:1 solution
- Mobile Hotspots to all families who do not have internet at home
- Wireless coverage in all classrooms
- Minimum Technology Standard (MTS) for every classroom teacher: Laptop, projector, document camera, and sound
- District standardized student information system
- Online library book
- Emergency back-up system for data preservation
- Six (6) Instructional Technology Consultants available for each campus to utilize with Technology Integration
- District mobile communication to all stakeholders via mobile application developments.

Additional successes include:

- ERATE funds awarded to support technology for our economically disadvantaged students
- Over 16,000 devices have been deployed over 25 campuses

# Priority Problem Statements

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## **Improvement Planning Data**

- District goals

## **Accountability Data**

- Texas Academic Performance Report (TAPR) data
- Accountability Distinction Designations
- Federal Report Card Data

## **Student Data: Assessments**

- STAAR End-of-Course current and longitudinal results, including all versions
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- SAT and/or ACT assessment data
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Compass Learning accelerated reading assessment data for Grades 6-8 (TEA approved statewide license)
- SSI: Apex Learning accelerated reading assessment data for English I and II (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Running Records results
- Observation Survey results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2

## **Student Data: Student Groups**

- STEM/STEAM data
- Dyslexia Data

## **Student Data: Behavior and Other Indicators**

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data

## **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback

- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

#### **Parent/Community Data**

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

#### **Support Systems and Other Data**

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices
- Action research results
- Other additional data

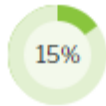

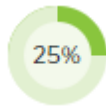

# Goals

**Goal 1: THRIVING STUDENTS:** All CISD students will be equipped to thrive today and in the future.

**Performance Objective 1:** Ensure safe, secure, and nurturing school environment.

**Evaluation Data Sources:** Discipline Data  
Drop-out Data  
Attendance Data  
Academic Assessments

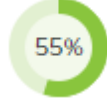

<b>Strategy 1:</b> Ensure all Safe School Plans are implemented with fidelity and maintain Emergency Operations Plans that provide for staff training, emergency drills, and coordination with local agencies.  <b>Strategy's Expected Result/Impact:</b> All campuses are compliant with safety requirements All staff and students know the Plans and what steps to follow in the event of an emergency situation Parents and community members know and adhere to the Plans  <b>Staff Responsible for Monitoring:</b> Director of Safety and Security	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 2:</b> Monitor the implementation of the district-wide Student Culture & Management Framework which includes Social and Emotional Learning and Restorative Practices  <b>Strategy's Expected Result/Impact:</b> Decrease in Student Discipline infractions Decrease in lost instructional time (suspensions) Increase in campus culture and climate  <b>Staff Responsible for Monitoring:</b> Deputy Superintendent of Achievement  <b>Title I Schoolwide Elements:</b> 2.5	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 3:</b> The School Health Advisory Committee (SHAC) will define an appropriate health curriculum for the district and promote mental and physical health and wellness programs for the students, staff, and community.  <b>Strategy's Expected Result/Impact:</b> Increase in mental and physical health awareness Increase in attendance rates Decrease in lost instructional time Increase in academic achievement (annually)  <b>Staff Responsible for Monitoring:</b> Director of District Health Services	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				

<b>Strategy 4:</b> Professional development for all staff on early mental health intervention using Youth Mental Health First Aid and Trauma Informed and Character Strong resources. - Production and dissemination of self-care and mental health resource magnets. - Self-care staff calendar for Mental Health Awareness Month. - District Self-care Initiative <b>Strategy's Expected Result/Impact:</b> Increase in early identification and support for students in need of mental health intervention Increase management of staff mental health burnout Promote greater development of SEL competencies for both students and staff <b>Staff Responsible for Monitoring:</b> Coordinator of Counseling Services	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 5:</b> Monitor attendance data, post attendance reports for campus access, promote attendance incentive program. <b>Strategy's Expected Result/Impact:</b> Increase in attendance rates to be equal to or above the State's average of 96.5%. Due to COVID-19, the 2 different attendance taking formats (Synchronous and Asynchronous) and the instructional delivery methods (In-person and Virtual) has created barriers causing the system to be challenging, currently. However, these barriers may be resolved in the future. <b>Staff Responsible for Monitoring:</b> Coordinator of Support Programs <b>Title I Schoolwide Elements:</b> 2.5	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 6:</b> Prioritization of emergency maintenance requests and improving response time. <b>Strategy's Expected Result/Impact:</b> Improved response time for emergency maintenance request Improved culture and climate Increase employee satisfaction <b>Staff Responsible for Monitoring:</b> Director of Maintenance and Operations	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
 No Progress  Accomplished  Continue/Modify  Discontinue				

**Goal 1: THRIVING STUDENTS:** All CISD students will be equipped to thrive today and in the future.

**Performance Objective 2:** Provide a variety of learning and real-world experiences that enhance academic achievement.

**Evaluation Data Sources:** Pre-AP & AP Assessment Data  
CTE & Dual Credit Courses/Certifications

<b>Strategy 1:</b> Implement the following Goal Progress Measures to ensure the percentage of College, Career, and Military Ready students will increase from 58% to 73% by June 2025.  <b>GOAL PROGRESS MEASURES FOR 2021:</b>  * The percentage of students meeting the college readiness standard for TSI criteria in Reading and Math will increase from 28% to 31%. * The percentage of students earning college credit hours through AP, Dual Credit, or OnRamps will increase from 18% to 21%. * The percentage of students earning an Industry-Based Certification will increase from 1% to 4%. <b>Strategy's Expected Result/Impact:</b> The percentage of College, Career, and Military Ready students will increase from 58% to at least 61%. <b>Staff Responsible for Monitoring:</b> Director of Gifted and Talented, AVID, and Advanced Academics Director of CTE, College Career, and Military Readiness	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 2:</b> 100% of CTE pathways will have internship and job shadowing opportunities. <b>Strategy's Expected Result/Impact:</b> Every CTE program of study will have an industry advisory team with documented meeting minutes and a written plan that includes internship and job shadowing opportunities. Annual disaggregation of data will indicate that 100% of students enrolled in CTE Practicum or Capstone courses were involved in internships and job shadowing. <b>Staff Responsible for Monitoring:</b> Director of CTE, College, Career, and Military Readiness	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 3:</b> Align district STEM Plus/CTE/Endorsement offerings and student achievement in post-secondary qualifications to occupation trends in the DFW and surrounding areas. <b>Strategy's Expected Result/Impact:</b> Enhanced student college and career opportunities <b>Staff Responsible for Monitoring:</b> School Transformation Officer	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 4:</b> 100% of all CTE pathways will have Advisory Teams of local industry leaders to provide input and support relevant, rigorous curriculum and opportunities that lead to high-wage, high-skill career readiness. <b>Strategy's Expected Result/Impact:</b> Every CTE program of study will have an industry advisory team with documented meeting minutes. <b>Staff Responsible for Monitoring:</b> Director of CTE, College, Career, and Military Readiness	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				

<b>Strategy 5:</b> Implement Pathways in Technology Early College High Schools (P-TECH), an open-enrollment program that provides students with work-based education. <b>Strategy's Expected Result/Impact:</b> Enhanced student college and career opportunities <b>Staff Responsible for Monitoring:</b> Director of CTE, College, Career, and Military Readiness Coordinator of P-TECH and CTE Innovation	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 6:</b> Create/develop non-traditional learning experiences in a multi-age classroom using Montessori. <b>Strategy's Expected Result/Impact:</b> Increased student achievement in elementary and beyond Increased opportunities for acceleration Retention of CISD students <b>Staff Responsible for Monitoring:</b> School Transformation Officer Director of Gifted and Talented, AVID, and Advanced Academics	Reviews			
	Formative			Summative
	Oct	Jan	Apr	July
				
<b>Strategy 7:</b> Create and maintain playful learning environments for prekindergarten students. <b>Strategy's Expected Result/Impact:</b> Students will develop learning habits that promote curiosity, independent exploration and problem solving skills. These skills will produce kinder ready students for the 2021-22 school year.  Each prekindergarten classroom will undergo an environmental screener that is provided by the Children's Learning Institute. The screener will be administered at least twice per school year. The results of the environmental screener can be related to the CIRCLE assessment. <b>Staff Responsible for Monitoring:</b> Director of Early Childhood Programs	Reviews			
	Formative			Summative

# **Title I Schoolwide Elements**

## **ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)**

### **1.1: Comprehensive Needs Assessment**

The district comprehensive needs assessment identified the following areas of concern as they relate to the stated goal of Title One: to help all students, particularly those in greatest need, master the state mandated curriculum.

1. The percentage of students in the district achieving "meets grade level standard or above" in reading (36%) is below the state average (46%)
2. The percentage of students achieving "meets grade level standard or above" in Writing (31%) is below the state average (41%).
3. The percentage of students in the district achieving "meets grade level standard or above" in Math (36%) is below the state average (50%)
4. The percentage of students achieving "meets grade level standard or above" in Science (36%) is below the state average (51%).
5. The percentage of students achieving "meets grade level standard or above" in Social Studies (43%) is below the state average (53%)

## **ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)**

### **2.1: Campus Improvement Plan developed with appropriate stakeholders**

The district improvement plan was developed with appropriate stakeholders as the district solicited participation and feedback from parents, community members, teachers, principals, and other district and campus personnel. The central office departments participating in the development of the plan include: Curriculum and Instruction, Special Services & Federal Programs, School Leadership, Business Services, Staff and Governance, Professional Development, Student Services, Athletics, Safety and Security, Technology, and Operations.

### **2.2: Regular monitoring and revision**

The district formally monitors the plan quarterly in terms of identifying the progress being made on each strategy. The quarterly designation is based on data collected during that quarter. In terms of Title One, a major data source is the Common Formative Assessment so that the district can determine areas of strength and weakness by campus and teacher. The assessment is designed to measure the effectiveness of the instruction taking place as it relates to the specific targeted items identified in the scope and sequence during the measured time frame.

### **2.3: Available to parents and community in an understandable format and language**

The district has 3 major languages and bilingual programming: (English, Spanish, and Vietnamese). The district webpage allows translation into 102 different languages for many of the posted documents. The district also ensures that Spanish and Vietnamese interpreters are available for meetings as necessary. The district is also the host district for a deaf-education cooperative. Therefore, deaf-education interpreters are available.

## **2.4: Opportunities for all children to meet State standards**

Among many of the items identified in the plan, the district has created an equity committee to help ensure that all students have access to high quality instruction and materials. The district is continuously reviewing data to find teachers/areas of unusual success and/or need for improvement. For example, although the district is not satisfied with the bilingual/ESL student performance, the district is pleased that the percent of students meeting or mastering the STAAR tests exceeds the state average for all current English Learners.

## **2.5: Increased learning time and well-rounded education**

Increased learning time as well as a well-rounded education is a focus for the district. Although the district has several after-school opportunities, including the 21st Century grant as well as a Sports and Tutoring Grant, the district recognizes that not all students needing help can be served by after-school programming. Therefore, extra support time is built in to daily schedules and professional development is provided to help ensure that all students receive the highest level of tier one instruction. The district also monitors the programming offered during our RTI process to ensure that it provides the desired result. The district also has extensive co-curricular opportunities as well as Community-In-School Counselors to help ensure a well-rounded education. Finally, a major focus this year is work related to social-Emotional learning. A committee is formed for this purpose and the initial professional development has occurred.

## **2.6: Address needs of all students, particularly at-risk**

Among many of the items identified in the plan, the district has created an equity committee to help ensure that all students have access to high quality instruction and materials. The district is continuously reviewing data to find teachers/areas of unusual success and/or need for improvement. For example, although the district is not satisfied with the bilingual/ESL student performance, the district is pleased that the percent of students meeting or mastering the STAAR tests exceeds the state average for all current English Learners.

## **ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

### **3.1: Develop and distribute Parent and Family Engagement Policy**

See Campus Compliance Addendum

### **3.2: Offer flexible number of parent involvement meetings**

The district has a Coordinator of Stakeholder Involvement who helps to coordinate meetings with parents. The meetings are scheduled for different times and locations in order to encourage greater participation. The coordinator also visits our greatest need communities to provide training on how to utilize the district webpage, look up student grades and schedules and test scores. This past year the district also conducted its first Parent University with multiple professional development opportunities related to enhancing parent knowledge in order to help their children.

## DISTRICT CONTEXT AND ORGANIZATION

### TWO-YEAR REZONING AND RESTRUCTURING PLAN:

## FALL 2019

- All current elementary schools, plus the new elementary campus under construction, would become Pre-K through 5th grade campuses.
- The four current intermediate schools would be transformed into Kindergarten through 6th grade campuses for one year.
- Middle schools would remain the same with 7th and 8th grades.
- High schools would remain unchanged.

## FALL 2020

- The intermediate schools would become Pre-K through 5th Grade elementary campuses.
- Our fourth middle school will open and all middle schools would become 6th through 8th grade campuses.
- High schools would remain unchanged.

## DISTRICT COMPLIANCE ADDENDUM

### STATE MANDATES IMPLEMENTATION REFERENCE

Texas law and Board Policies mandate the following be addressed with strategies for improving student performance. To increase the campus/district's ability to focus on a limited number of targeted initiatives in this improvement plan, the campus/district will plan, implement, monitor and evaluate the following mandates through other procedures and practices. When requested, the Person Responsible will report progress to the campus/district site- based committee.

**COORDINATED SCHOOL HEALTH**

- Annual fitness assessment
- Health and wellness education for students
- Nutritional monthly emphasis on fruits and vegetables
- Healthy for Life quarterly newsletter for students, staff and community
- American Heart Association wellness program for staff

**DROPOUT PROCESS**

1. Students who withdraw from a campus must complete a Withdrawal Form which indicates the date of withdrawal, the reason for withdrawal, destination, and is signed by the parent or guardian.
2. Identification lists of potential dropouts will be sent by the PEIMS Department to the campuses near the beginning of each school year.
3. Each student on the list will be located and documentation will be verified by campus officials.
4. Students in danger of not graduating and those who have completed required coursework but not the required state assessments will receive appropriate Dropout Prevention counseling and develop a personal graduation plan which may include interventions, accelerated instruction, or Bridges Academy.

**EMERGENCY PREPAREDNESS DRILLS**

Ensure all campuses are in 100% compliance as measured by the emergency preparedness drill documentation form.

1. Each campus schedules drills with the Coordinator for Safety & Security and documents the following drills:
  - a. Building Evacuation (Fire Drill) – at least one per month for each month school is in session 10 or more days, including one obstructed drill
  - b. Lock Down – at least two per year
  - c. Severe Weather – at least two per year
  - d. Shelter in Place – at least two per year
  - e. Reverse Evacuation – at least two per year
  - f. Other - includes Bus Evacuation Drill
2. Fire Exit Drills are recorded and submitted annually to the State Fire Marshal

**McKINNEY-VENTO HOMELESS ASSISTANCE**

- The Residency Questionnaire form within the registration will be completed by the parent/guardian and submitted to the campus who will submit to the District Homeless Liaison for verification.
- Crowley ISD guarantees that a family/student can enroll in school if residing:
  - a. In a shelter (family shelter, domestic violence shelter, youth shelter, or transitional living program)
  - b. In a hotel/motel, or weekly-rate housing
  - c. In a house or apartment with more than one family because of economic hardship or loss
  - d. In an abandoned building or a car, at a campground, or on the street,
  - e. In a temporary foster care
  - f. In a substandard housing (no electricity, no water, and/no heat)
  - g. With friends or family because the student is a runaway or unaccompanied youth
- The District Homeless Liaison provides the Director of Nutrition & Food Services with the names of the students in the district that have been identified as homeless in order to provide Free & Reduced Lunch.
- The following services are made available for students identified under the McKinney Vento Act:
  - a. Qualify automatically for Child Nutrition Programs (Free and Reduced-Priced Lunch and other district food programs)
  - b. John Peter Smith (JPS) Hospital School-based Clinic located on Crowley ISD Clinic

- c. Campus Counselor and designated campus Community In Schools Social Worker assist with obtaining services from community and government agencies and organizations
- d. Continue to attend the school in which the student was last enrolled, even if the student has moved from that school's attendance zone or district
- e. Transportation provided from student's current residence back to the student's school of origin
- f. The availability to contact the District Homeless Liaison to resolve any disputes that may occur during the enrollment process

#### **PREGNANCY RELATED SERVICES (PRS) PROGRAM**

1. Identification and verification documents will be completed by campus officials.
2. The following services will be made available to each student eligible for PRS:
  - a. Compensatory Education Home Instruction (CEHI) for the regular education student provided by a certified teacher and for the special education homebound student additional PRS contact hours will be provided by a certified teacher, counselor, nurse or social worker.
  - b. Counseling services including the initial session when the student discloses the pregnancy.
  - c. John Peter Smith (JPS) Hospital School-Based Health Clinic located on a Crowley ISD campus.
  - d. Health services, including services from the school nurse and certified athletic trainer.
  - e. Schedule modification for instruction (inside or outside the classroom) related to parenting knowledge and skills, including child development, home and family living, and appropriate job readiness training.
  - f. Assistance obtaining services from government agencies and community service organizations.
3. Documentation, as defined by the PRS procedures, of each student's participation in the PRS program will be maintained on the campus.

#### **TEXAS BEHAVIOR SUPPORT INITIATIVE (TBSI)**

1. Any campus personnel likely to use restraint or likely to use time-out as part of a student's Individualized Education Program and/or Behavior Intervention Plan must receive training in the Texas Behavior Support Initiative (TBSI).
2. The school staff member will complete the first six modules online prior to taking module seven, Physical Restraint. The District adopted restraint training program is Nonviolent Crisis Intervention through the Crisis Prevention Institute (CPI).
3. Before being allowed to register for CPI, the school staff member must provide evidence to the CISD Professional Development Department that they have gone through the first six modules of TBSI.
4. Campus personnel are only required to participate in the online module training one time. The physical restraint training program requires annual training.
5. Personnel called upon to use restraint and who have not received prior training must receive training in the six modules of TBSI and CPI within 30 school days following the use of restraint.
6. Each campus in the District is required to maintain a core team of an administrator, general education teacher and a special education teacher trained in TBSI and CPI.

#### **DISTRICT SCHOOL RESOURCE OFFICERS**

As a district, we contract with our local police department(s) jurisdictions for School Resource Officers (SRO's). SRO's perform a myriad of law enforcement duties, which include safeguarding any person(s) within their jurisdiction along with the property of the school district. SROs shall not be used for routine student discipline, school administrative tasks, or contact with students unrelated to the officers' law enforcement duties. SRO's are encouraged to engage with students, teachers, staff, and the community to foster school-police partnerships.

**DISTRICT TRAUMA-INFORMED CARE POLICY** – FFBA (Legal) and FFBA (Local) are included in TASB Update 114, which is pending School Board approval.

## Suicide Awareness & Prevention

In Crowley ISD steps are taken to empower students at every grade level with protective influences that decrease the likelihood of suicide. These steps are provided in a variety of methods and with age- related considerations.

The elementary and intermediate campuses utilize classroom lessons on the topics of kindness, self-confidence, communication, and perseverance. Each of these traits contribute to a healthy self and supportive relationships. Throughout the school year speakers and programs are presented to the students and staff that promote protective qualities which reduce the risk for suicide.

At the middle School and high School campuses the attributes of kindness, self-confidence, communication, perseverance, and leadership are also imparted in a variety of means. In September, each campus utilizes a Suicide Prevention Week. During this week announcements are shared giving suicide awareness and prevention tools. Students are equipped with information to report concerns regarding peers, family, and themselves. Throughout the school year speakers and programs are presented to the students and staff that promote protective qualities which reduce the risk for suicide.

Additionally, staff on all Crowley ISD campuses are provided training on suicide awareness. Staff are provided basic information for offering support to a student in crisis and ensuring student safety. All Crowley ISD campuses have a procedure to follow when an out-cry or self-harm concern is presented. A student at risk of suicide or self -harm is screened for risk level, a parent or guardian is provided an Emergency Notification that includes external referral sources, and follow up with the student is carried out to ensure support and a healthy welfare of the student.

## Federal Program Expenditures

All district and campus expenditures related to the following Federal Grants will be utilized for the purposes and intended audiences stated below:

Grant	Purpose and Intended Beneficiaries
Title I, Part A	The purpose of the grant is to help all students meet the state student performance standards by providing supplemental resources to the LEA. The intended beneficiaries are students who experience difficulties mastering the state academic achievement standards.
Title II, Part A	The two purposes of the grant are 1) to increase student academic achievement through improving teacher and principal quality and increasing the number of highly qualified teachers in the classroom as well as highly qualified principals and assistant principals; and 2) to hold LEAs and schools accountable for improving student academic achievement. The intended beneficiaries are teachers and principals, including assistant principals, and as appropriate, administrators, pupil services personnel, and paraprofessionals.
Title III, Part A	The purpose of the grant is to provide supplemental resources to help ensure that children who are limited English proficient attain English proficiency at high levels in core academic subjects and can meet state mandated achievement performance standards. The intended beneficiaries are LEP students, including immigrant children and youth.
Title IV, Part A	The purpose of the grant is to provide: 1) all students with access to a well-rounded education, 2) improve school conditions for student learning, and 3) improve the use of technology in order to enhance academic outcomes and digital literacy of students.
Perkins Grant	The purpose of the grant is to develop more fully the academic and technical skills of secondary students who elect to enroll in career and technical education programs.
Title IV, Part B 21 <sup>st</sup> Century Grant	The purpose of the grant is to provide academic enrichment opportunities during non-school hours for children, particularly student who attend high-poverty and low-performing schools.

## Parent and Family Engagement Plan

Crowley ISD agrees to implement the following statutory requirements:

- Crowley ISD will put into operation programs, activities and procedures for the engagement of parents and families in all schools with Title I, Part A Programs, consistent with the Elementary and Secondary Education Act (ESEA). Those programs, activities and procedures will be planned and operated with meaningful consultation with parents.
- Crowley ISD will work with schools to ensure that the required school-level Parent and Family Engagement plans meet the requirements of the ESEA.
- Crowley ISD will incorporate this plan into its District Improvement Plan.
- In carrying out Title I, Part A parent and family engagement requirements Crowley ISD and its schools will provide full opportunities for the participation of parents and families with limited English proficiency, parents with disabilities and parents of migratory children. Crowley ISD will provide information and required school reports in an understandable and uniform format in a language parents understand.
- Crowley ISD will involve the families of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parent and family engagement are spent.
- Crowley ISD will provide the following necessary coordination, technical assistance and other support to Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance (A) Support from Title I Specialists; (B) Professional development provided to Title I Intervention Teachers by Reading and Math Intervention Specialists; (C) Title I Collaborative Meetings.
- In Crowley ISD, parent and family engagement means regular, two-way and meaningful communication involving student academic learning and other school activities, ensuring that (A) families play an integral role in their child's learning; (B) families are encouraged to be actively involved in their child's education at school; (C) families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; (D) the carrying out of other activities.

## Priority for Service (PFS) Action Plan for Migrant Students

As part of the Every Student Succeeds Act (ESSA), the Priority for Service (PFS) Action Plan is a required program activity for the Migrant Education Program. In providing services with funds received under this part, each recipient of such funds shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards; or have dropped out of school. [§1304 [20 U.S.C. 6394](d)].

The Priority for Service Report on NGS must be used to determine who to serve first and foremost with MEP funds. Students are identified as PFS if they meet the following criteria:

Priority for Service Criteria	
Grades 3-12,  Ungraded (UG) or  Out of School (OS)	<ul style="list-style-type: none"> <li>• Who have made a qualifying move within the previous 1-year period;</li> </ul> <p><u>AND</u></p> <ul style="list-style-type: none"> <li>• Have a received grade level of "approaches or not meet" on the state assessments (STAAR), were Absent, Not Tested* or were not enrolled in a Texas school during the state assessment testing period for their grade level.</li> </ul>
Grades K-3	<ul style="list-style-type: none"> <li>• Who have made a qualifying move within the previous 1-year period;</li> </ul> <p><u>AND</u></p> <ul style="list-style-type: none"> <li>• Have been designated LEP in the Student Designation section of the New Generation System (NGS) Supplemental Program Component; <u>or</u></li> <li>• For students in grades K-2, who have been retained, or are overage for their current grade level.</li> </ul>

The following document is provided by TEA for districts to help document efforts that are being conducted on behalf of Priority for Service students. It contains all of the required components as described in Part 4 of the ESSA Application in the Provisions and Assurances, but also allows room for districts to add additional activities. Each district's plan must clearly articulate criteria for defining student success, including timelines for achieving stated goals and objectives.

**NOTE:** This document can be obtained electronically in MS Word format from the regional ESC MEP Coordinator.

\*The State of Texas Assessments of Academic Readiness (STAAR®) were not being administered during the spring or summer of the 2019–2020 school year.

School District: Crowley ISD
Region:11

## Priority for Service (PFS) Action Plan

Filled Out By: Amanda Edmonson
Date:10/26/2020

School Year: 2020 - 2021

**Note:** Title I, Part C Coordinator or MEP staff will include the PFS Action Plan in the district improvement plan as a separate section appropriately labeled or identified (e.g., "Migrant PFS Action Plan Section"), rather than integrating the action plan elements with other DIP sections that focus on other student population groups (e.g., Bilingual, ESL, economically disadvantage).

<p><b>Goal(s):</b> Identify and provide services to migratory students who are failing or at risk of failing to meet the State's content and performance standards, and whose education has been interrupted during the regular school year, with priority</p>	<p><b>Objective(s):</b></p> <ul style="list-style-type: none"> <li>Identify migratory students who enroll late and withdraw early and provide supplemental services to each student when no other school district services are available.</li> <li>Identify migratory students who are missing significant amounts of instructional time by enrolling late and/or having excessive absences.</li> <li>Provide supplemental information to parents on how to collaborate with school staff and how to access resources in order to provide timely attention and appropriate interventions to their children.</li> <li>Provide supplemental information to parents on how to collaborate with school staff and how to access resources in order to provide timely attention and appropriate interventions to their children.</li> <li>Use data to plan the Priority for Services Action Plan for 2020-2021 school year, and assist the district with supplemental services when not provided by other federal or non-federal programs.</li> </ul>
--	---

Required Strategies	Timeline	Person(s) Responsible	Documentation
