### Part II: Student Achievement and State Academic Annual Measurable Objectives (AMOs)

This section provides the STAAR performance results for each subject area tested in the 2016-17 school year. These results only include tested students who were in the accountability subset. This section also includes four-year and five-year graduation rates and participation rates on STAAR for reading and mathematics.

Part III: Priority and Focus Schools

Priority schools are 5% of Title I served campuses based on performance in reading and mathematics and graduation rates. Priority schools include TTIPS schools, campuses with graduation rates less than 60%, and lowest achieving campuses based on Improvement Required status and reading/mathematics performance in the selected student groups. Focus schools are 10% of Title I served campuses, not already identified as priority schools, that have the next lowest achieving campuses based on Improvement Required status and reading/mathematics performance in the selected student groups.

Priority School Identification: No Priority School Reason: N/A Focus School Identification: No Focus School Reason: N/A

A high-performance reward school is identified as a Title I school with distinctions based on reading and mathematics performance. In addition, at the high school level, a reward school is a Title I school with the highest graduation rates. A high progress school is identified as a Title I school in the top 25% in annual improvement; and/or a school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards.

Part IV: Teacher Quality Data

### Part IV A: Percentage of Teachers by Highest Degree Held

Professional qualifications of all public elementary and secondary school teachers in the State of Texas. The distribution of degrees attained by teachers are shown as the percentage of total Full-Time Equivalent (FTE) count of teachers with no degree, bachelor's, master's, and doctorate degrees.
