

CROWLEY ISD ADMINISTRATIVE REGULATION

Board Policy: GKB (LOCAL)
2003

DATE EFFECTIVE: August 21,

RE: ADVERTISING IN SCHOOLS

Retailers and businesses may provide limited advertising on certain items which they have donated to campuses. This advertisement includes their business logo/symbol on items such as book covers, pencils and reward-coupons for grades. There should be no messages included with the item other than the name of business and positive remarks to students, such as “Good Job” or “(business name) is proud of you.”
